Why
Different??

Global Compact
FOR **Migration**

SDGs

Goals no. 10
Reduced inequality

facilitate orderly, safe, regular and responsible migration and mobility of people, trafficking, remittances, international student mobility and more

Rancangan Teknokratik RPJMN 2020-2024

Indonesia Berpenghasilan Menengah-Tinggi yang Sejahtera, Adil, dan Berkesinambungan

Rancangan Teknokratik RPJMN 2020-2024 yang dipaparkan oleh Menteri PPN/Kepala Bappenas Bambang Brodjonegoro dalam Musrenbangnas di Jakarta, Kamis (9/5/2019). (Dokumentasi Bappenas)

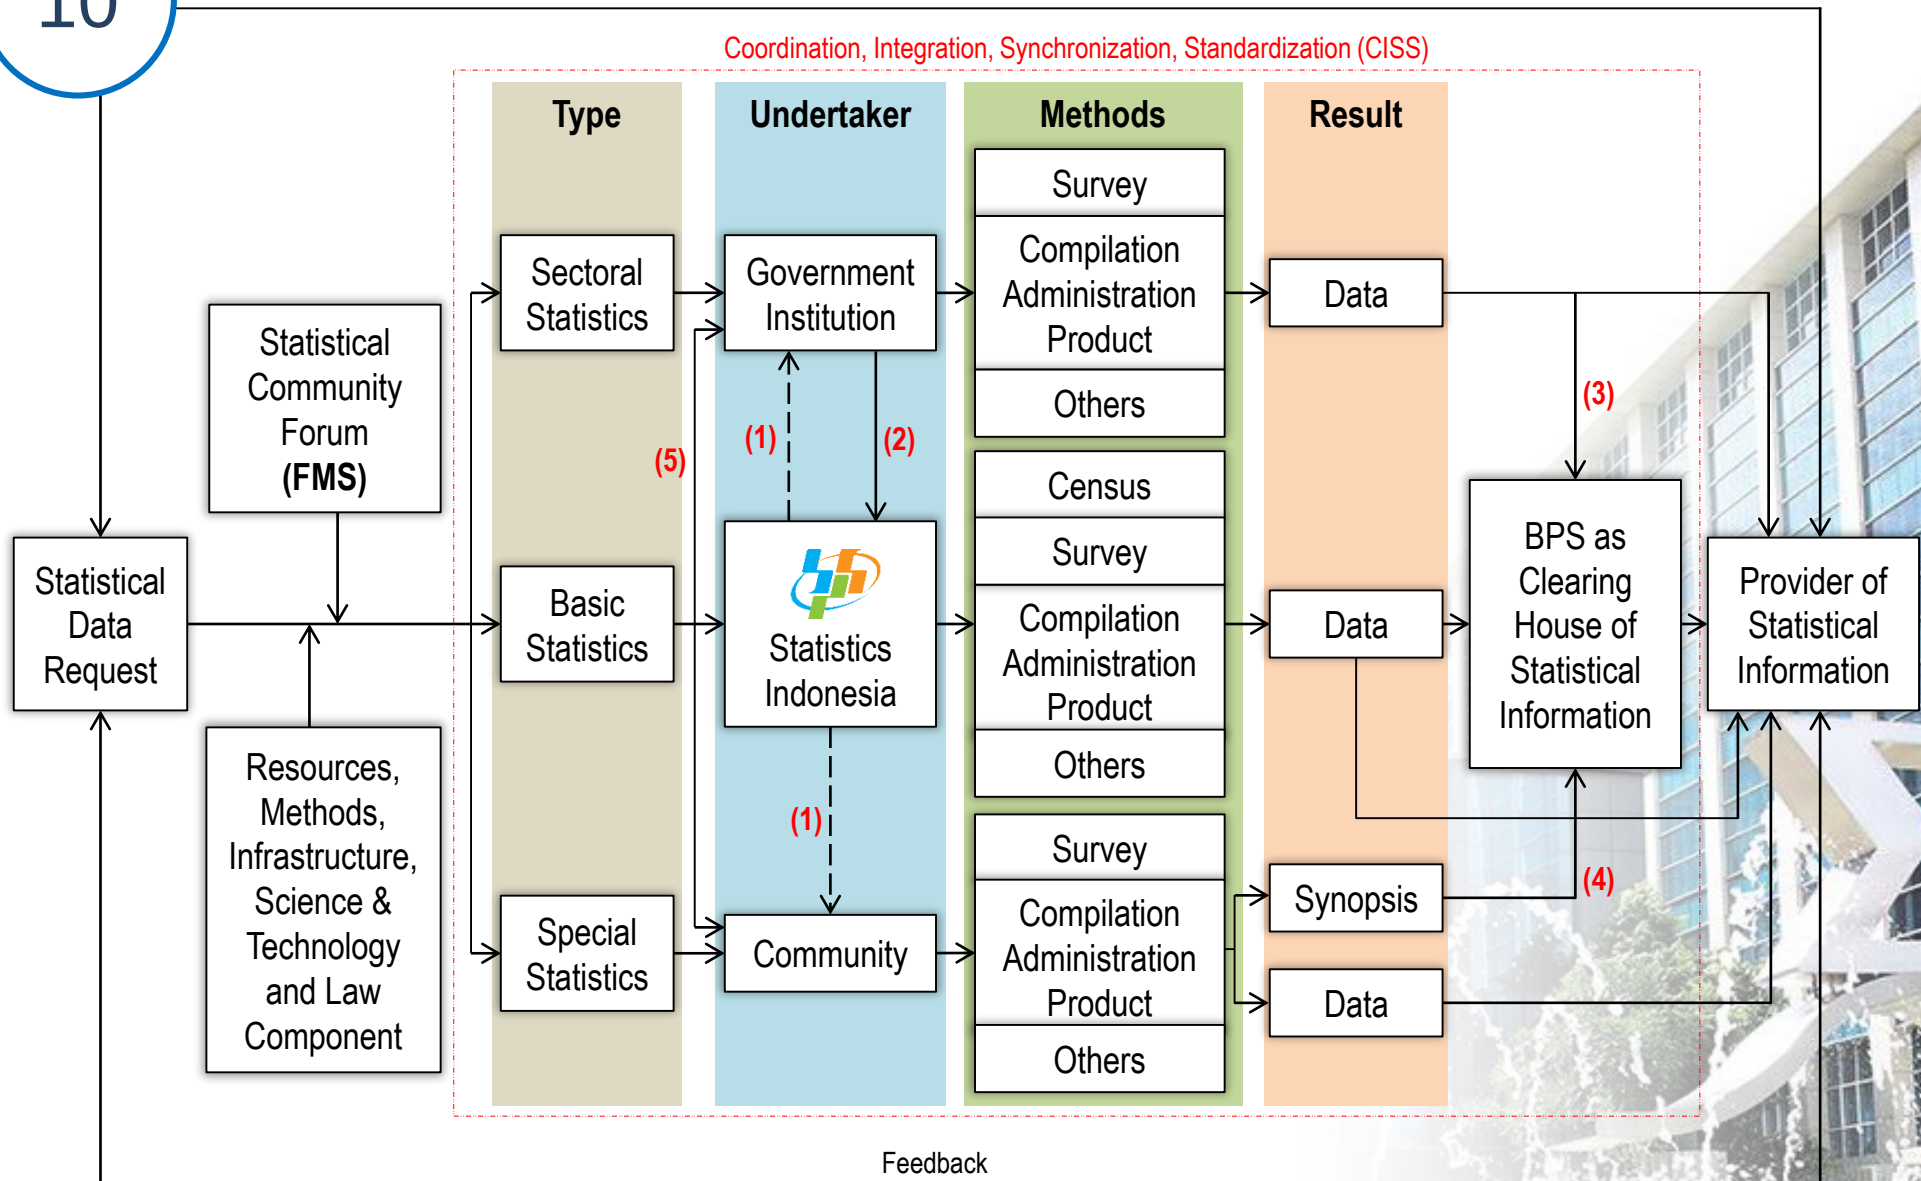

Law No. 18/2017

Law on the protection of Indonesian migrant workers and their families

Protection of Indonesian migrant workers and their families, ensuring the fulfillment of their rights before, during, and after migration, at the national, regional, and economic and social levels.

There is a need for timely, reliable and comparable data on migration

National Statistical System

Collaboration and Synchronization on **National Statistical System** for Labor Migrants

One data for policy making

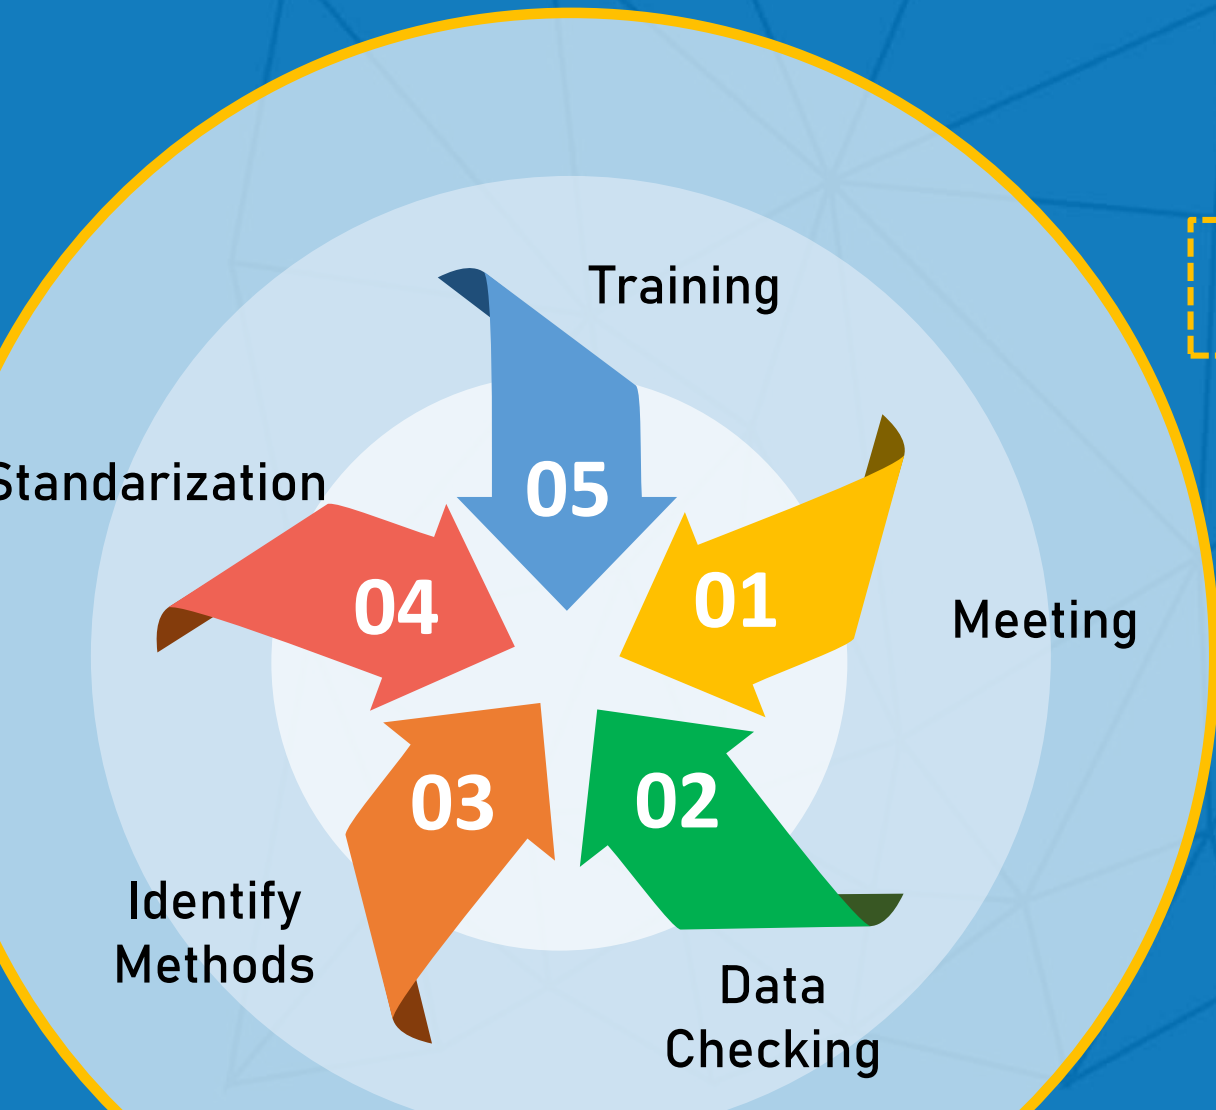

What Next ?

1. Interagency Coordination

12

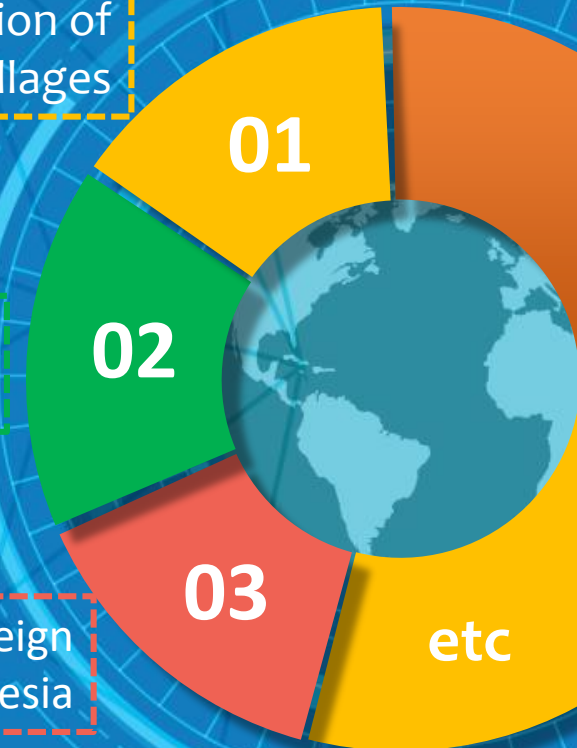

Ministry/Agency's
Potential for International
Migration Statistics

Data Collection of
Productive Migrant Villages

Data on placement
of workers abroad

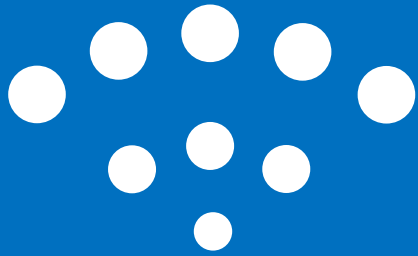

Data of foreign
workers in Indonesia

2. Mobile Phone Data Utilization

13

**Initiatives Exploring the Use of
Mobile Phone Data for Official
Statistics**

Tracking Transnationalism with Mobile Telephone Data

15

01

How many **transnational** people are there originating from Indonesia?

02

How do they **travel** and **who** are they?

03

How should this new **information** on transnationalism be understood from the point of view of nation-state and territoriality?
